Please make it aesthetic and eye-catching and no bigger than A4. Thank You!

Group exhibits under 5 people: each artist may submit a work as per the above instructions.

Please note: there are two sets of steep stairs to the gallery and parking is limited due to local construction, we apologize for these conditions.

We will be asking artists for organizational help during the intake and installation and the opening party and cleanup. Please be prepared to pitch in!

Final Note: The library is getting building work done starting sometime in November which may affect open hours and the final exhibition dates, but the idea is to have the show run up to the holidays to showcase local work and small works of art for gift giving. Please stay tuned as we are apprised of details.

We are excited to have your art in the gallery and are delighted to be a part of open studios

Thank you!
